Blood lead testing in South Dakota

This information is subject to change

Who needs to be tested?

Universal

- Federal rules require blood lead testing of all Medicaid children at ages 1 and 2 years old and 3 to 6 year olds if they have not been previously tested.
- Lead test required for all Head Start children prior to enrollment.
- Discuss lead exposure with all women who are lactating, pregnant, or planning a pregnancy. CDC & ACOG recommend testing when only one risk factor is present.
 - For more information: [CDC's Guidelines for the Identification and Management of Lead Exposure in Pregnant And Lactating Women](#)

Targeted

- All other children should be screened with a Lead Risk Assessment Questionnaire.
- For more information please see: <http://doh.sd.gov/lab/medical-microbiology/lead.aspx>

What is the reimbursement?*

- CPT Code 36416, Collection of a capillary blood specimen, ~\$3.00
- CPT Code 83655, Blood Lead
- Private Insurance: ~ \$20.00
- Medicaid: ~ \$16.00

** Actual reimbursement rates may vary and should be verified.*

What do you need to get started?

State Licensure

- CLIA Certificate of Waiver or higher

Lead Testing Reporting Requirements

- South Dakota currently does not require reporting of blood lead results.
- For more detailed information, please refer to state reportable disease form: <https://doh.sd.gov/diseases/infectious/reporting.aspx>
